

LETTER OF APPRECIATION

Dear **Mr. Adham Saed**,

On behalf of **AQARI** team, we would like to appreciate **Software Pioneers** team for the amazing work that you have done in UI/UX design of our project. Your professionalism reflects in the countless effort that you put into the project to ensure it gets completed smoothly. Your self-motivation, dedication and diligence are will definitely lead for more success and growth for your company.

We thank you once again, for showing such impeccable leadership and technical skills. We are sure that we will have more collaboration to utilize your professional skills in future projects.

Thank you for doing a great job!

Regards,

Mohammad Tashtoush
IT Project Manager | **AQARI**
